

Koontz Electric Company Congratulates Our Graduates

For Immediate Release – June 2018

Morrilton, Arkansas – Koontz Electric Company (KECI) wishes to congratulate this year's graduating class from the Arkansas Construction Education Foundation Electrical apprenticeship program. Each graduate completed 8000 hours of on the job training, and successfully passed exams during 576 hours of classroom time. Graduates are immediately eligible to take the Arkansas journeyman electricians exam, and Taylor May has already passed. Kyle Bright was also awarded outstanding apprentice of the year.

Koontz Electric has 50 employees currently enrolled in electrical apprenticeship training. This workforce development program is fully funded by Koontz Electric Company, and has produced 47 Journeyman, and 43 Master Licensed Electricians in our employment. 75% of our 200 plus employees are Conway County Residents. Koontz Electric embraces this commitment to training so we can adequately staff our customer's highly demanding and technically challenging projects, coast to coast, and border to border.

From left to right, Mark Day (Executive VP-CFO), Wanda Virden (Instructor), Taylor May, Richard Dold (VP-Field Operations), Brent Story, Maurice Hawkins, Kyle Bright, Sergio Cortes, Sharaz Rhodes, Jacobe Kubli, Michael Tramel (Guest Speaker-UALR), Jeremy Ruff, Kathy Fulks (ACEF) Nathaniel Jackson, Gary Massey (HR/Safety Director).
