KOONTZ ELECTRIC SCHOLARSHIP APPLICATION

KECI will award **\$2000** Scholarship(s) for graduating high school students who are entering into a math or science degree with a preference of Engineering or Construction Management dispersed over a 4 year period. A \$500 scholarship will be given to the successful applicant during his freshman, sophomore, junior and senior years. The successful applicant every August will need to show his transcript to a representative of the board to show his continued progress in pursuit of a BS in one of the referenced fields.

KECI is a diversified heavy industrial electrical contractor. We perform a wide array of contracts specifically chosen for technical and installation complexities. KECI's team supports the total spectrum of power, control, and instrumentation system needs. We have proudly served Arkansas and the nation for over 50 years. In just the last ten years we have completed over 500 projects in dollar volume exceeding \$200 million. We have never failed to complete a project.

Numerous repeat customers, universal customer satisfaction, and our strong industry reputation, is positive feedback that our approach delivers. A fervent commitment to safety, quality, timely schedules, and cost control, are the keys to our success and longevity. Our professional office and field staff, diverse work history and over five decades of experience, uniquely qualify us for the most challenging projects. The success of our company is directly attributable to the quality and unique capabilities of our employees as well as our reputation for the completion of highly technical and challenging projects across the United States. Some of the complex projects Koontz has completed are as follows:

- Hoover Dam
- John H Kerr Powerplant
- Bull Shoals Powerplant
- Big Thompson Powerplants
- LM Glasfiber Manufacturing Facility
- Toyota Substation
- Entergy Little Rock Data Center
- C-130J Maintenance Training and Flight Simulator Facilities
- Hurricane Katrina Emergency Repair Work
- Clinton Bridge, Big Dam Bridge, and Two Rivers Bridge Lighting
- River Rail Trolley System
